

BLAIR LAMB

SINGER/SONGWRITER

Honest. Grounded. Joyful.

Kentucky-grown and NYC-based, Blair Lamb's folk/pop sound sets her crystal clear vocals and poignant lyricism against a warm, acoustic backdrop.

Her deeply personal, genre-bending songs are influenced by simple storytelling of bluegrass luminaries, alternate tunings of 70s folk musicians, and her own years of classical piano experience.

Blair takes inspiration from the mundane, memorializing both everyday beauty and everyday sadness. Her songs are a masterful blend of authenticity and poetry, urging listeners to view their own ordinary lives as works of art.
